Profile Summary

I am Md Mohtesham Azam, I want to make career in IT Industries as a full stack developer. I have 2+ year of experience in web development. I worked for Shriram Insight Share Broker Ltd for one year as a dot net developer & 1+ year for Overseas Industrial Technical Institute as frontend developer. I completed my bachelor's degree in Electronics & Communication from Budge Budge Institute of Technology & done my schooling from Kendriya Vidyalaya Garden Reach.

Work Experience

Frontend Developer

Overseas Industrial Technical Institute
04/2023 - 05/2024

Developing and maintaining the front-end functionality of web applications. Collaborating with the design team to translate design mockups and wireframes into responsive, interactive features. Ensuring the technical feasibility of UI/UX designs.

Trainee Software Engineer

Shriram Insight Share Broker Ltd
04/2022 - 03/2023

My role is to develop web applications for the company. Maintain existing web applications. Write error free & less complex code. Check for bugs in the applications.

- Full Stack Development
With React & Node Js
